BRILLIANCE AUDIO, United States, 2015. CD-Audio. Book Condition: New. Unabridged. 171 x 133 mm. Language: English . Brand New. Colin Laney, sensitive to patterns of information like no one else on Earth, currently resides in a cardboard box in Toyko. His body shakes with fever dreams, but his mind roams free as always, and he knows something is about to happen. Not in Toyko; he will not see this thing himself. Something is about to happen in San Francisco. The mists of San Francisco make it easy to hide, if hiding is what you want, and even at the best of times reality there seems to shift. A gray man moves elegantly through the mists, leaving bodies in his wake, so that a tide of absences alerts Laney to his presence. A boy named Silencio does not speak, but flies through webs of cyber-information in search of the one object that has seized his information. And Rei Toei, the Japanese Idoru, continues her study of all things human. She herself is not human, not quite, but she s working on it. And in the mists of San Francisco, at this rare moment in history, who is to say what is or is not impossible.
