

## Standard Algebra (Classic Reprint)

By William J Milne

Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Excerpt from Standard Algebra Scope. - This work has been written to meet the requirements of colleges and universities for general admission and of the course outlined by the Regents of the State of New York for both elementary and intermediate algebra. Every kind of question asked in recent examinations has been covered. Method. - The author adheres to the inductive method of presentation, but uses declarative statements and observations instead of questions. These are followed by illustrative problems and explanations which bring out the important points that should be emphasized, and the treatment is rounded out by abundant practice. Progress is from the known to the related unknown, and in this way is combined the students knowledge of arithmetic with the algebraic knowledge to be acquired. New ideas of number are introduced whenever the development of the science demands it. Exercises. - The number of exercises is extremely large, and the variety is great. The concrete work is well balanced with the abstract, so that both skill in algebraic processes and ability to solve problems are...
