Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English Brand New Book ***** Print on Demand *****. Excerpt from The Poems of Thomas Davis: With Notes, Historical Illustrations, Etc, and an Introduction, by John Mitchel At Mallow, on the river Blackwater, in the County of Cork, and some time in the year 1814, Thomas Osborne Davis was born. His father was by birth a Welshman, but long settled in the South of Ireland; and Davis, ever proud of his Cymric blood, and of his kindred with the other Gaelic family of Milesians, named himself through life a Celt. The Celt was his nom-de-plume; and the Celtic music and literature, the Celtic language, and habits, and history, were always his fondest study. Partly from the profound sympathy of his nature with the fiery, vehement, affectionate, gentle, and bloody race that bred him, - his affinity with the cloudy and lightning genius of the Gael, - partly from his hereditary aversion to the coarser and more energetic Anglo-Saxon, - and partly from the chivalry of his character, which drew him to the side of all oppressed nations everywhere over the earth, - he chose to write Celt upon his front; he would live and die a Celt. The scenes of his birth and boyhood nursed and cherished this feeling. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy.
