

## Workbook to Accompany the Second Edition of Donald M. Ayers's English Words from Latin and Greek Elements

Filesize: 7.65 MB

### ***Reviews***

*This ebook can be well worth a go through, and far better than other. Sure, it can be enjoy, continue to an interesting and amazing literature. I am just delighted to tell you that this is the greatest book i have got study within my personal daily life and could be he very best publication for actually.*  
*(Miss Susana Windler DDS)*

## WORKBOOK TO ACCOMPANY THE SECOND EDITION OF DONALD M. AYERS S ENGLISH WORDS FROM LATIN AND GREEK ELEMENTS

University of Arizona Press, United States, 2005. Paperback. Book Condition: New. Revised edition. 274 x 213 mm. Language: English . Brand New Book. For more than forty years, >English Words from Latin and Greek Elements, by Donald M. Ayers, has shown thousands of students the way to a broader vocabulary by teaching them to recognize the classical roots found in many English words. When the second edition of that text appeared in 1986, it was joined by a workbook that has proven exceptionally popular in reinforcing those vocabulary skills. Each lesson in the Workbook complements the text with a variety of exercises: short-answer, matching, multiple choice, word analysis, fill-in-the-blank, and true-false. The Workbook has now been revised to make it more relevant and useful. It features a new dictionary exercise and word analysis exercises, the replacement of true-false exercises that have caused the most difficulty for students, and the elimination of archaic words and other items that have become dated. The authors have also improved the clarity of the instructions for individual exercises, in some cases adding notes or providing sample answers. As part of the revised front matter, there is a new introduction written just for students to help them get the most out of the workbook. English Words and the Workbook have met with unqualified success in English and Classics courses at both the advanced secondary and college levels. This revision of the Workbook helps to ensure the continuing relevance of the roots approach to vocabulary building for tomorrow s students.
