EARTHSHAKER BOOKS, United States, 2009. Paperback. Book Condition: New. 218 x 140 mm. Language: English . Brand New Book. The prehistoric saga continues in Zan-Gah and the Beautiful Country, the sequel to the award winning Zan-Gah: A Prehistoric Adventure. In this story, Zan's troubled twin brother, Dael, having suffered greatly during his earlier captivity, receives a ruinous new shock when his wife suddenly dies. Disturbed and traumatized, all of his manic energies explode into acts of hostility and bloodshed. His obsession is the destruction of the wasp men, his first captors, who dwell in the Beautiful Country. When he, Zan-Gah, and a band of adventurers trek to their bountiful home, they find that all of the wasp people have died in war or of disease. The Beautiful Country is empty for the taking, and Zan's people, the Ba-Coro, decide to migrate and resettle there. But the Noi, Dael's cruelest enemies and former tormentors, make the same migration from their desert home, and the possibility develops of contention and war over this rich and lovely new land.
