When Tintin stumbles across a model ship at the Old Street Market, he buys it as a gift for his friend Captain Haddock. But this isn't just any old model ship .it's the Unicorn. Built by one of Haddock's ancestors it holds a clue to finding the treasure of a notorious pirate. Join the most iconic character in comics as he embark on an extraordinary adventure spanning historical and political events, and thrilling mysteries. Still selling over 100,000 copies every year in the UK and having been adapted for the silver screen by Steven Spielberg and Peter Jackson in 2011, Herge's The Adventures of Tintin continue to charm more than 80 years after they first found their way into publication. Since then an estimated 230 million copies have been sold, proving that comic books have the same power to entertain children and adults in the 21st century as they did in the early 20th.
