Arrow. 1 Paperback(s), 2012. soft. Book Condition: New. The ivied walls of Blandings Castle glow sunnily in these six stories by the creator of Jeeves & Woostera selection very nearly duplicating the first series of the BBC comedy Blandings, starring Timothy Spall and Jennifer Saunders. But there are snakes in the countryside ready to nip Clarence, the absent-minded Ninth Earl of Emsworth, when he least expects it. For a start the Empress of Blandings, in the running for her first prize in the Fat Pigs Class at the Shropshire Agricultural Show, is off her feed. Then there is the ongoing feud over the moss path with Head Gardener McAllisteraided by Clarence's sister, the terrifying Lady Constanceand the draconian edicts of her meddling secretary Mr. Baxter. "Each time you read another Blandings story, the sublime nature of that world is such as to make you gasp."Stephen Fry "P.G. Wodehouse remains the greatest chronicler of a certain kind of Englishness, that no one else has ever captured quite so sharply, or with quite as much wit and affection."Julian Fellowes 379.
