Commander VK Jaitly, 2015. Soft cover. Book Condition: New. 22 cms. 164pp. This book can be considered as a 'Self Help Book' that can take you to the great heights that you had dreamt off in your childhood or at some stage in your life. The response everywhere was overwhelming. The feedback, I got was like an elixir for me and that further motivated me. I was convinced that I was on the right track. Sometimes a few members from the audience asked me if I had written a book on the subject. That is what triggered...
