About the Book The author of Charles OMalley, perhaps the most typical of Irish novelists, was of English descent on his fathers side. But Charles James Lever himself was Irish by birth, being born at Dublin on August 31, 1806--Irish in sentiment and distinctly Irish in temperament. In geniality and extravagance he bore much resemblance to the gay, riotous spirits he has immortalised in his books. Of all the men I have ever encountered, says Trollope, he was the surest fund of drollery. Lever was intended for medicine; but financial difficulties forced him to return to literature. His first story was Harry Lorrequer, published in 1837. It was followed in 1840 by Charles OMalley, the Irish Dragoon, which established his reputation as one of the first humorists of his day. The story is the most popular of all Levers works, and in many respects the most characteristic. The narrative is told with great vigour, and the delineation of character is at once subtle and life-like. Lever died on June 1, 1872.
