This dramatically revised edition discusses issues of human ecology throughout the text and provides a greater variety of opportunities for students to learn, practice, and develop quantitative and analytical skills. Current research examples and other content updates are supported by more than 200 redesigned, full-color illustrations, graphs, and tables. Elements of Ecology now includes MasteringBiology(R), an online homework, tutorial, and assessment program that improves results by helping students quickly master concepts both in and outside the classroom. The book and MasteringBiology work together to create a classroom experience that enables students to succeed in biology and ecology courses. With Elements of Ecology, 9/e you can: \*Personalize Learning with MasteringBiology: MasteringBiology improves results by helping students quickly master ecology concepts both in and outside the classroom.\*Help Students Interpret and Analyze Ecology Data: New and expanded in-text instruction and practice is provided in Interpreting Ecological Data...
