It's Wolfstime, the foreboding period around each full moon when villagers must protect their homes and families against the giant, ferocious wolves that roam the forest. On the day Red turned thirteen, Granny gave her a special red cloak upon which a spell had been cast to protect Red from wolves. Red is now sixteen and is desperately trying to fit in among her peers, save Granny's failing bakery business, and, of course, protect herself from wolves. Her crush on Peter and her determination not to let the mean girls sabotage her blossoming romance cause Red to make some questionable choices. Will these choices let the wolves in? Will Red pick the right battle? Will her skills be strong enough to keep her alive?.
