In the East Japanese rock gardens or Zen gardens have been places where people could meditate in serene and harmonious surroundings. Why are more people designing their own gardens incorporating at least one rock garden in the design? Even if the rock garden is quite small, it is going to add a touch of distinction to the landscaping of your garden. In Japan, rock gardens were normally built as dry landscape gardens, where a number of landscapes were made up of natural compositions made from natural products incorporated into a landscape. These natural items included...
