Createspace. Paperback. Book Condition: New. This item is printed on demand. Paperback. 258 pages. Dimensions: 8.9in. x 6.0in. x 0.8in. Profit and the Practice of Law Whats happened to the Legal Profession has emerged as the definitive work on growth and change in the major business practice law firms in America between 1960 and 1995. It explains why and how Americas major firms were transformed, and how the transformation has affected the lawyers in those firms, their clients, and the lawyers working in-house for such clients. The changes that occurred in the United States have also occurred in other countries around the world as widely diverse as the United Kingdom and Taiwan. The book has been widely praised by prominent lawyers, bar association leaders, law firm consultants and legal scholars. Its also readable by and entertaining to lay readers. The book considers many of the problems with the delivery of legal services faced by clients, corporate counsel, and private practice lawyers and law firms and suggests solutions to them. The problems that existed in the mid-1990s are still with us today and some are even worse now than then. The remedies suggested remain relevant. Young people considering a career in the law as well as career counselors and advisors will find valuable advice concerning the prospects for a satisfying and profitable career as a lawyer. New lawyers will acquire insights into the obstacle courses they face and how they can be traversed. Older lawyers will gain a better understanding of the dynamics they need to master in order to achieve success in their careers, and retired lawyers will find a structure to support their analysis and understanding of their own careers as practicing lawyers. Profit and the Practice of Law will also be of interest to business executives interested in containing...
