

Global Bible Commentary

By Daniel Patte

Abingdon Press. Paperback. Book Condition: New. Paperback. 432 pages. Dimensions: 8.7in. x 6.0in. x 1.4in. The Global Bible Commentary invites its users to expand their horizon by reading the Bible with scholars from all over the world and from different religious persuasions. These scholars have approaches and concerns that often are poles apart. Yet they share two basic convictions: biblical interpretation always matters; and reading the Bible with others is highly rewarding. Each of the short commentaries of the Global Bible Commentary is a readily accessible guide for reading a biblical book. Written for undergraduate and seminary students and their teachers, as well as for pastors, priests, and Adult Sunday School classes, it introduces the users to the main features of the biblical book and its content. Yet each short commentary does more. It also brings us a precious gift, namely the opportunity of reading this biblical book as if for the first time. By making explicit the specific context and the concerns from which shehe reads the Bible, the scholar points out to us the significance of aspects of the biblical text that we simply took for granted or overlooked. Reviews

A really great publication with lucid and perfect reasons. I have read through and i am confident that i am going to gonna read yet again yet again down the road. It is extremely difficult to leave it before concluding, once you begin to read the book.
