Be a good girl and come over here and I'll make it worth your while. It's an offer NYC college student Katerina Mills should refuse. But how can she? A desperate situation. After ditching her cheating lover (and boss), she's stuck in dead end temp jobs. Her dad just ditched her mom and his promise to pay Kat's college tuition bill. She has two weeks to come up with \$14,000 or she's out of her apartment, out of school, and out of luck. A dangerous world. Katerina falls into a job as a fixer for New York City's wealthy and privileged men. They have problems they need fixed, quick and on the QT, and they're willing to pay. The rules are simple: collect the money, use your contacts, fix the problem. Kat's first job is easy: tail a shopaholic socialite wife. But who's tailing Kat? Kat's second job is not so easy: steal a VHS tape hidden in an antique chest. She can't do it alone. To be a thief, she needs a thief: handsome, reclusive Alexander Winter to be exact. Kat soon learns the real rules for a fixer: there are no rules, there are no refunds. Get in. Get results. Get gone. As every step brings her closer to her goal and closer to danger, there's one rule left for Katerina Mills to learn: once you're in, there's no getting out.
