By Borich

Pearson, United States, 2013. Loose-leaf. Book Condition: New. 8th. 274 x 213 mm. Language: English . Brand New Book. NOTE: Used books, rentals, and purchases made outside of Pearson If purchasing or renting from companies other than Pearson, the access codes for the Enhanced Pearson eText may not be included, may be incorrect, or may be previously redeemed. Check with the seller before completing your purchase. This package includes the Enhanced Pearson eText with MyEducationLab and the loose-leaf version. In a conversational style, this market-leading text shows how to apply effective, realistic, research-based teaching practices in today's heterogeneous classrooms. Effective Teaching Methods: Research-Based Practice, 8/e, prepares teachers to meet the many challenges presented by the changing face of the American school and classroom teaching today and discover the opportunities for professional growth and advancement those changes provide. The content presented is the direct result of years of research and observation of effective teaching practices in actual classrooms. These are the experiences of real teachers in real classroom, showing teachers both what to do to meet today's teaching challenges, and how to do it. The Eighth Edition provides readers with new coverage of important topics including Multiple Intelligences, professional learning communities, working with parents, and standardized...

Reviews

Completely essential study ebook. This is for all those who state there was not a well worth reading. I realized this book from my dad and i recommended this publication to find out.

-- Jarrell Kovacek

A whole new eBook with a new point of view. It can be really fascinating through studying period of time. I am delighted to explain how this is actually the finest book i have read through during my very own life and could be the best publication for at any time.
