Military Sketching and Map Reading (Classic Reprint)

By Loren C Grieves

Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from Military Sketching and Map Reading In writing this book an effort has been made to produce a text-book on Military Sketching and Map Reading meeting the requirements of the curriculum prescribed for educational institutions operating under the provisions of the War Department, also to meet the requirements prescribed in the examination of candidates for commissions in the Regular Army and the Reserve Officer s Training Corps, and to provide a suitable course for the officers of the National Guard, and thus standardize the instruction throughout the service. In view of the above, attention is invited to War Department orders prescribing text-books. It has been the aim to produce a suitable text-book at the minimum price, free from all extraneous matter and yet completely fulfilling the requirements. The author acknowledges with thanks the valuable assistance rendered by Captain A. W. Bjornstad in co-ordinating the subject matter of the text to meet the requirements of the various branches of the military establishment. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find...
