iUniverse, United States, 2004. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.There is a scarlet thread woven in the fabric of world history. This thread represents the various forms of the sacrificial traditions carried out and remembered in nearly every culture. One by one, these ubiquitous ceremonies suddenly came to an end. That the concept is barbaric and cruel is not the complete answer for its demise. One revelation in particular will be identified that completely fulfills the traditional and moral necessity of sacrifice. Many scriptural clarifications and additional promises were proclaimed in connection with that momentous sacrifice. The ramifications are monumental for the present and future course of history on Planet Earth. Portions of several religious texts will be referenced and compared. The meaning of Handywork: handiwork is skillful work that is personally done. The Old English spelling, handywork, comes from one place in the Authorized Version of the Bible. The heavens declare the glory of God, and the firmament shows His handywork (Psalm 19:1). This term has come to represent the unique creative work that only the one true God can plan, fulfill, and reveal!.
