Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Excerpt from Biographical Sketch of Gov; B. R. Tillma of South Carolina When it first became known among my acquaintances that I thought of writing a sketch of Governor Tillman s life received the following letter from a very intimate friend: Dear Friend: I am glad to learn that we are to have a biography of so interesting and marked a character as Governor Tillman, and 1 should esteem it a privilege to render any assistance towards it in my power. The great charm of all biography, however short or concise the sketch, is the truth, told simply, directly, boldly, charitably. But this is also the great difficulty. A human life is long. A human character is complicated. It is often inconsistent with itself, and it requires nice judgment to proportion it in such a way as to make the book correspond with the man, and make the same impression upon the reader that the man did upon those who knew him best. Your difficulty will be to present fairly his less favorable side; but upon this depends all the value, and much of the interest of the work. By the wisdom contained in this letter we have tried to abide, presenting the ideas and incidents unadorned save by the chaste adornment which truth alone can give. We beg to acknowledge our indebtedness to Governor Tillman himself and thank him for the majority of facts related.
