HarperCollins Publishers, United Kingdom, 2016. Paperback. Book Condition: New. 197 x 130 mm. Language: English . Brand New Book. Must-read.A funny yet tragic tale of a husband and wife s car journey across the US with Albert the alligator in tow. Yes, really. Marie Claire A journey of a thousand miles. With an alligator on the back seat. And John Steinbeck as a passenger. This is a tale where everything is true,except the bits that are made up. In 1930s America, the Great Depression made everyone s horizons smaller, and Elsie Lavender found herself back where she began, in the coalfields of West Virginia. She had just one memento of her halcyon days - a baby alligator named Albert. Then one day, her husband s stoical patience snapped and Elsie had to choose between Homer and Albert. She decided that there was only one thing to do: they would carry Albert home to Florida. And so began their odyssey - a journey like no other, where Elsie, Homer and Albert encountered everything from movie stars and revolutionaries to Ernest Hemingway and hurricanes in their struggle to find love, redemption, and a place to call home. From the bestselling author of Rocket Boys-the basis of the movie October Sky-comes a long-awaited prequel. Big Fish meets The Notebook in this novel about a man, a woman, and their alligator.
