Brand New Book ***** Print on Demand *****.Former Navy Seals Captain Moore and his skilled military team barely survive a highly covert mission to save hostages deep within enemy infested jungles in Columbia, only to discover their efforts were meaningless upon facing a much greater threat. A comprised consortium of drug cartels, arms dealers and terrorists have merged together, forming a well-structured and overwhelming international drug and weapons counter-trade collaboration, led by terror and tyranny. By the order of the United States President, both CIA Field Agent Smith and Captain Moore are chosen to lead Dream Team Alpha, a counter-terrorist collaboration comprised of former military experts and covert agents. Moore and Smith soon find themselves fighting well-trained and equipped combatants embedded deep within treacherous terrain, consisting of snow covered mountains, wilderness and jungles. Smith and Moore's own internal conflicts emerge upon facing a myriad of threats as they seek key locations to dismantle pathogenic weapons of mass destruction before detonation and locate faction leaders at the same time. When ruthless cartel forces cross the line by harming those dear to both Agent Smith and Captain Moore, conventional rules of engagement no longer apply. Dream Team Alpha chooses to operate off the grid and bring the fight to the enemy's doorstep. Meanwhile, Moore and Smith must determine who they can trust and how far the enemy's tentacles of power reach as nations face their demise.
