Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from Report to the President by the Committee on Department Methods, 1909: Documentary Historical Publications of the United States Government The undersigned committee was called into existence by the Committee on Department Methods in consequence of an instruction from the President from which, in your letter requesting us to serve, you quote the following paragraph as indicating the objects of our appointment: With a view to the adoption of a more systematic and effective method of dealing with the problem of documentary historical publications of the United States Government, so as to secure a maximum of economy and efficiency, you are instructed to consider the desirability of reviewing, with the aid of a subcommittee of experts, the whole field of documentary publications which consist wholly or mainly of material for the history of the United States, and framing a preliminary plan which will represent the deliberate judgment of historical experts and serve to guide subsequent governmental work of this kind into the best channels. In accordance with this instruction and the terms used by you in appointing the subcommittee, we beg leave to submit the following report, dealing with (a) the course hitherto pursued by the Government in the printing of volumes of documentary historical material; (b) the ground covered by such volumes already published and the extent to which they serve the interests of workers in our national history; (c) the gaps to be noted in our historical record which might be filled by Government publications, and (d) the possibility of putting into operation a system whereby such issues might be steadily kept to a high standard of quality and to a scientific plan, orderly...
