Audible Studios on Brilliance, United States, 2016. CD-Audio. Book Condition: New. Unabridged. 171 x 133 mm. Language: English . Brand New. New York Times bestseller and number one in romance. You're not supposed to want the one who torments you. When my stepbrother, Elec, came to live with us my senior year, I wasn't prepared for how much of a jerk he'd be. I hated that he took it out on me because he didn't want to be here. I hated that he brought girls from our high school back to his room. But what I hated the most was the unwanted way my body reacted to him. At first I thought all he had going for him were his rock-hard, tattooed abs and chiseled face. But things started changing between us, and it all came to a head one night. Then, just as quickly as he'd come into my life, he went back to California. It had been years since I'd seen Elec. When tragedy struck our family, I'd have to face him again. And holy hell, the teenager who made me crazy was now a man that drove me insane. I had a feeling my heart was about to get broken again. Contains graphic sexual content and harsh language. It is appropriate only for adult listeners age 18 and older.
