Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from The Impending Crisis of 1860: Or the Present Connection of the Methodist Episcopal Church With Slavery, and Our Duty in Regard to It In this chapter we design to show that from 1739 to 1784, or during the first forty-five years of our denominational history, Methodism was intensely anti-slavery, both in theory and in practice - a society of practical abolitionists. I. John Wesley was an earnest abolitionist. 1. The General Rules of the United Society were written by Mr. Wesley, May 1; 1743. (Works, vol. v. p. 190.) These rules forbid doing harm, doing to others as we would not they should do to us, doing what we know is not for the glory of God, c, N ow, unless there is no harm in holding a fellow-being as a slave, and it is in accordance with the golden rule, and for the glory of God, it is certain that these rules forbade all slaveholding; and, if honestly executed, would cut it up root and branch. These are the Rules now found in our Discipline, page 25 and onward. 2. In 1774 Mr. Wesley first published his Thoughts upon Slavery, in tract form. The whole drift of the tract is not only against the slave-trade, but against every species of slaveholding. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at This book is a reproduction of an important historical work.
